

It's Always Happening!

The Best Times to Visit Mexico's Sea of Cortés

Baja Caramba! Marine life is swimming, lizards are scampering, birds are flying, and our vessel is sailing—it's always happening in Mexico's Sea of Cortés. And while "when to go" isn't really the issue here, we've pulled together a handy chart comparing each itinerary and highlighting what you might expect to help you with planning your Sea of Cortés Un-Cruise voyage.
